Horticulture Division Rules

1. Exhibitors do not have to be members of any rose organization.
2. **PREP ROOM OPENS AT 6:00 AM.** Entries will be accepted between the hours of 7:00 a.m. and 10:00 a.m. on Saturday. None will be accepted after the 10:00 a.m. deadline, at which time the doors to the main exhibit hall will be closed to exhibitors. The public will be admitted from 1:00 p.m. to 5:00 p.m. on Saturday.
3. All specimens should be properly identified and tagged with an official entry tag to speed handling. Be sure your blooms are correctly identified. Show Committee will not assume responsibility for identifying varieties. Improperly identified entries will be disqualified. Entry cards will be available upon request before the show and exhibitors are urged to secure them and fill them out in advance. Exhibitor's number will not be assigned.
4. Stem length and foliage should bear a pleasing relation to size of bloom. Judges will penalize entries with too long or too short stems.
5. Exhibitors from the same garden may enter a variety only once, but as many varieties as they desire in any given class.
6. Uniform vases will be furnished by the Rowan Rose Society. WEDGES may be used to position a specimen.
7. A collection of Large Roses may be exhibited in one vase.
8. Judging will be on standards set by the American Rose Society. All decisions of the judges will be final. Judges may refrain from making an award in a class if quality of bloom does not merit such.
9. No unauthorized persons should expect or ask to be admitted into the showroom during judging.
10. Generally, the rose is in its most beautiful form for judging when one-half to three-fourths open. Tight buds do not show the character of the bloom and cannot be properly judged. Petals must not have been visibly removed from the blooms. Dust and spray residue should be absent and the foliage be clean. Oiling of foliage will not be permitted. Failure to observe these points will cause penalties and disqualifications.
11. All flowers remain in place until the show is ended. However, the Rose Show Committee reserves the right to remove badly wilted roses. Awards to be collected by exhibitors by 3:00 pm on the day of the show. No ribbons or awards will be mailed. Certificates to remain on the tables until 5:00 pm.
12. When the show closes at 5:00 p.m., Saturday, the horticulture specimens shall become the property of the Rowan Rose Show Committee. At closing time they will be sold to the Public: the proceeds will go to the Rowan Rose Society.

13. Sweepstakes awarded on blue ribbons.
14. Judges will DISQUALIFY specimens for the following reasons:
 - *Violation of The American Rose Society rules or Local Show Schedule rules.
 - *Misnamed, mislabeled or mis-classed roses.
 - *Foreign substance applied to any part of specimen to improve the appearance.
 - *Side buds specimen that must be shown disbudded.
 - *The appearance of the exhibitor's name in any location other than on the designated place in the entry tag.
 - *Stem-on-Stem Rose, except Old Garden Roses.
15. The Queen, King, Princess and Prince of show shall be selected from blue ribbon winners in Classes 1 and 26.
